

HOMESAFE CHARITY GOLF TOURNAMENT

It was a return to the green for a good cause. HomeSafe hosted its annual *Charity Golf Tournament* at the exclusive Royal Palm Yacht & Country Club in Boca Raton. A resounding \$77,000 was net, with the proceeds going toward helping thousands of children and families who have endured unimaginable trauma and to help prevent future cases of abuse.

HomeSafe is a nationally accredited nonprofit protecting Palm Beach County's and South Florida's most vulnerable residents — victims of child abuse and domestic violence. Through its results-driven approach, the organization is a leading provider of prevention and intervention services, serving more than 15,000 infants, children, young adults and families each year. HomeSafe is one of just five specialized therapeutic group care agencies in the state of Florida — the only one in Southeast Florida.

"When we got together this time last year, you heard about our plans to reimagine the **Bernstein Family Foundation** residential campus in Boca Raton to better serve our kids," said **Laura Barker**, Chief Philanthropy Officer at HomeSafe. "Today, the kids love the computer lab and the music room, and they really enjoy spending time in their own private bedrooms — which they call their sanctuaries. Additionally, at our Boca campus and across Palm Beach County, our *Healthy Beginnings* program is supporting families through early intervention to prevent children from entering our system of care in the first place. Your help allows us to expand our *Healthy Beginnings* services to serve families across the socio-economic spectrum."

Winning the women's division was **Jayne Malfitano, Jori Farrell, Kimberly Scaggs and Jeanette Austin**; Men's winning foursome was **Jeffrey Petrone, Enrique Rivera, Keith Diego and Mike Arsenault**; and the winner in the mixed foursome division was **Paulette Comparato, Lori Glover, Lori D'Angelo and Matthew D'Angelo**. All 84 players were able to partake in breakfast and a shopping experience where they picked out four items of their liking from a variety of Scales golf clothing and accessories.

This year's tournament ambassadors were **Fern Schmidt, Patty Larkin, Brooke Qualk, Logan Shalmi, Pete Austin and Phil Procacci**; Presenting Sponsor was **Rochelle LeCavalier at Douglas Elliman Real Estate**; Lunch Sponsor was **MacCutcheon Family Foundation**; Gold Sponsor was **Jo Ann and Philip Procacci**; Breakfast Sponsor was **Paradise Bank**; Beverage Cart Sponsor was **TD Bank**; Silver Sponsors were **Peter and Jeanette Austin, Harcourt M. and Virginia W. Sylvester Foundation, The Atlantic Group of Oppenheimer, and Christine E. Lynn – E.M. Lynn Foundation**.
