

Sunset History Cruise

The Historical Society of Palm Beach County (HSPBC) hosted 90 guests on its annual *Sunset History Cruise* aboard the classic 1926 motor yacht *Mariner III*.

Leaving from the Riviera Beach Marina, the waitlisted event included a brief voyage north to the Jupiter Lighthouse and back, cocktails and heavy hors d'oeuvres, and a presentation by Palm Beach County Historic Preservation Officer/Archaeologist **Christian Davenport**.

Davenport remarked, "To gaze upon the history in this way, from the deck of such a fine vessel, anchors the weight of these far-gone events in our hearts. This is just one of the many integral parts of preservation work which the Historical Society of Palm Beach County does best."

The event follows the HSPBC's recent *Evening on Antique Row* and *On the Avenue* social, once again bringing local history to the public with newfound vitality. "Clearly there is an appetite for history in our community, and we are providing exclusive educational programming to meet that demand," commented **Jeremy Johnson**, President and CEO of the Historical Society of Palm Beach County.

The HSPBC thanked **Dailey Janssen Architect**, *Sunset History Cruise* Sponsor.

The HSPBC is a nonprofit organization founded in 1937 to collect, preserve, and share the history of Palm Beach County and the larger context of Florida. The Society operates and maintains the **Richard and Pat Johnson Palm Beach County History Museum**, an admission-free institution featuring high quality, interactive exhibits.
