

THE HISTORICAL SOCIETY OF PALM BEACH COUNTY

EVENING ON ANTIQUE ROW

The Historical Society of Palm Beach County's Young Friends hosted the 31st Annual *Evening on Antique Row™* (EOAR) welcoming approximately 2,000 guests to

South Florida's "Most Stylish Street Party." The beloved annual event transformed six blocks of South Dixie Highway — from Southern Boulevard to Monroe Drive — into a vibrant, pedestrian-only celebration of art, design, and community.

Guests gathered in the heart of the historic West Palm Beach Art & Design District for an unforgettable evening surrounded by the antiques, fine art, and design that define the iconic Palm Beach aesthetic. The event provided significant exposure for *Antique Row's* more than 50 participating merchants, presented in partnership with the **South Dixie Antique Row Association**.

LIVE ENTERTAINMENT & CULINARY EXPERIENCES

This year's celebration featured two live bands — **The Derek Mack Band** and **The Andrew Morris Band** — providing dynamic entertainment throughout the evening. Guests across all ticket levels, including VIP and Private Cabana holders, enjoyed live music alongside an array of bites and craft cocktails from top local restaurants across Palm Beach County.

SUPPORTING EDUCATION & COMMUNITY IMPACT

Proceeds from *Evening on Antique Row™* directly benefit the Historical Society of Palm Beach County, supporting its mission to provide free educational programming to children throughout Palm Beach County. These programs reach students in classrooms, online, and at the **Richard and Pat Johnson Palm Beach County History Museum**, ensuring access to local history and cultural resources for all.
