

# MORSELIFE'S 39TH ANNUAL GOLF CLASSIC

**G**olfers county-wide met in the heart of Palm Beach to once again par and putt to raise funds on behalf of **MorseLife Health System** and its seniors at the *2023 MorseLife Golf Classic*, held at Ocean Course at The Breakers Palm Beach. The event was attended by golf enthusiasts, philanthropists and community leaders who came together to support a noteworthy cause.

The event has consistently been a sell-out since it was established by MorseLife's volunteer leadership nearly 40 years ago. The Chairs of this year's event were **Beverly and Dan Floersheimer**.

"MorseLife is grateful to all of today's participants for their generous support," said **Keith Myers**, President and CEO of MorseLife Health System. "These funds will go a long way in supporting our mission to enhance the lives of seniors in our care. We are proud to have the support of the Palm Beach community, and we look forward to continuing to make a difference in the lives of those we serve."

The day began with registration and breakfast at the clubhouse, followed by a shotgun start at 9am. Participants enjoyed a round of golf on the picturesque Ocean Course, the oldest course in Florida, which provided a stunning backdrop for the event. The Ocean Course rewards wit over power, with winding fairways between sandy hazards and six lakes.

Participants and guests gathered for an awards luncheon at Flagler Steakhouse after the tournament. During the luncheon, guests had the opportunity to hear about the impact of MorseLife's work in the community and how the funds raised will be used to support their mission.

"It was a great day of golf, camaraderie and community, and we are grateful to all the participants and sponsors who made it possible," said Beverly Floersheimer.

"We are proud to support MorseLife's important work, and we hope this event will help raise awareness of their mission and gain philanthropic support," said Dan Floersheimer.

The event was made possible thanks to the generosity of the event's Sponsors, including **Whiting-Turner, Knight Corporation, MSL CPA's, UBS, V2 Jets** and all of the Tee Sponsors.

MorseLife is a not-for-profit national leader transforming perspectives on aging by designing a dynamic integrated model of residences and healthcare to optimize and reaffirm life for older adults at every stage with programs and services including assisted living, cannabis-based therapies, care management, home health care, hospice and palliative care, life enhancement, living-learning experience, long-term care, memory care, *NOW for Holocaust* survivors, nursing education scholarships, Parkinson's therapy, short-term rehabilitation and *PACE — Program for All-Inclusive Care for the Elderly*. MorseLife's reputation and tradition of caring for seniors continues to honor senior living with excellence and dignity. MorseLife means "More Life".
