

# Tampa General Hospital

SUPPORTS CHILDREN'S CHARITIES AT THE HONDA CLASSIC

**T**ampa General Hospital (TGH) has again supported the Palm Beach County community at *The Honda Classic*. In the 16 years *The Honda Classic* has been hosted at PGA National Resort and Spa, the tournament has contributed more than \$50 million to over 100 South Florida charities, helping tens of thousands of children.

Tampa General Hospital welcomed hundreds of prominent residents and physicians to its chalet in Nicklaus Village on the 18th hole of the PGA National Champion Course. TGH is proud to support **Nicklaus Children's Health Care Foundation**, the primary beneficiary of *The Honda Classic*, in its work to advance and enhance the diagnosis, treatment, and prevention of childhood diseases and disorders.

The tournament has donated more than \$13 million to the Nicklaus Children's Health Care Foundation. Through the Foundation, *The Honda Classic's* host organization, **Children's Healthcare Charity**, also supports nonprofit programs and projects aimed at overall health care and community services.
