

ANNUAL GOLF CLASSIC AND AWARDS LUNCHEON

MorseLife Health System teed up another memorable day of camaraderie and philanthropy at its *Annual Golf Classic and Awards Luncheon* at The Breakers Ocean Course. Set against the backdrop of one of South Florida's most iconic courses, the event brought together supporters and golf enthusiasts to make a meaningful impact for MorseLife's **Hospice Care** program.

The day began with a grab-and-go breakfast, followed by a 9am shotgun start on the historic Ocean Course. Players spent the morning enjoying sweeping Atlantic views and spirited play, all in support of compassionate, end-of-life care for patients and families across Palm Beach County.

"MorseLife's *Annual Golf Classic* is always one of my favorite events because it brings together so many of our generous donors and valued community partners for a morning of connection and purpose," said **Ashley Robinson**, Vice President of Events at MorseLife Health System. "Most importantly, today directly supports our Hospice Care program, helping us provide comfort, dignity and compassionate care to individuals and families during life's most sensitive moments."

Following 18 holes, guests gathered at the Flagler Steakhouse for a celebratory awards luncheon, where participants reflected on the day's impact and the collective generosity that continues to strengthen MorseLife's mission.

This year's event was made possible through the generosity of its sponsors, including Title Sponsor **Whiting-Turner**, along with **Judy Jokiel, Knight Corporations, Michelle Farmer Collaborate, Forvis Mazars, The Bandier Family Foundation, Adams Coogler, CareOne Pharmacy, The Robbins Family, T.D. Bank, William and Phyllis Mack, Thomas and Judith Iovino, and Martin and Bonnie Gregge.**

VIPs in attendance included **Phyllis and William Mack, Janet and Arthur Hershaft, Beth and Marc Goldberg, Arthur Loring, Cliff Robbins, Ed Pantzer, Michael Rome, John Stark, Susie and Jeffrey Levitt, Nancy and Peter Brown, Beverly and Dan Floersheimer, Carol and Robert Trow, Jan and David Ball, Judith Jokiel, and Peter Farmer.**

MorseLife Health System provides integrated residences, health care and services for older adults, including independent and assisted living, short-term rehabilitation, long-term care, memory care, home health, and hospice. The organization is Palm Beach County's exclusive PACE provider and has earned the *Governor's Gold Seal Award* for excellence in long-term care.
