

Happy Tails

Peggy Adams Animal Rescue League, Palm Beach County's oldest animal rescue and a leading force in animal welfare, is thrilled to celebrate the success of its spring fundraiser, *Happy Tails*, a joyful end-of-season celebration held at The Park West Palm Beach.

The evening transformed the stunning venue into a pet lover's paradise, complete with cocktails, a buffet dinner, breathtaking golf course views, and the event's most beloved guests of honor, 15 adoptable puppies and dogs. Thanks to this event, six animals found loving new homes and one more went home with a foster family, making the celebration even more meaningful.

Co-Chaired by **Mish Tworkowski** and **Hillary Thomas**, alongside Junior Co-Chairs **Payton Matthews** and **Ande Murray**, the event welcomed 175 supporters and raised more than \$530,000 to support dogs and cats in need throughout Palm Beach County. Major Sponsors included **Anne and J. Christopher Flowers**, **Vicky and Sam Hunt**, and **Pauline Pitt and The William H. Pitt Foundation**.

"It was a joy to gather so many compassionate friends and supporters for an evening that was both festive and deeply meaningful" says Mish Tworkowski, event Co-Chair. "With the puppies and dogs as part of the celebration, guests were able to connect not only with one another, but also with the animals whose lives are changed through Peggy Adams' work every day."

As the season comes to a close, the Peggy Adams team reflects with deep gratitude on the generosity of its supporters. The success of *Happy Tails* will directly fuel the organization's lifesaving mission and help continue its leadership in humane animal care across Palm Beach County.

"There is something incredibly special about ending the season by celebrating the lifesaving work happening every day at Peggy Adams" says Hillary Thomas, event Co-Chair. "The energy in the room was uplifting, and the impact of the evening will be felt by countless animals in our community."

Peggy Adams Animal Rescue League is an independent nonprofit organization, operating continuously since 1925. Peggy Adams provides critical services to more than 35,000 animals each year and collaborates with local area organizations to expand the lifesaving work in Palm Beach County.
