

40TH ANNUAL GOLF CLASSIC

MorseLife Health System hosted its 40th Annual *Golf Classic* on the iconic Ocean Course at The Breakers Palm Beach. This

signature event teed off to raise critical funds for MorseLife's Hospice and Palliative Care program for seniors. This year's tournament, Chaired by **Pam and Ed Pantzer**, offered a day of exceptional golf and camaraderie, driving support one swing at a time for the lives of seniors in Palm Beach County.

The event has consistently been a sell-out since it was established by MorseLife's volunteer leadership nearly 40 years ago.

"MorseLife extends its deepest gratitude to all participants for their generosity at today's event, making this the most successful MorseLife Annual *Golf Classic* yet," said **Keith Myers**, President and CEO of MorseLife Health System. "The funds raised are vital to advancing our mission, with a special focus this year on enhancing our Hospice and Palliative Care program. This support allows us to provide compassionate, comprehensive care to seniors in their most critical times. The Palm Beach community's commitment to our cause is truly inspiring, and we are eager to continue making a meaningful impact in the lives of seniors, ensuring they receive the dignity, comfort and care they deserve."

The day began with registration and breakfast at the Clubhouse, followed by a shotgun start at 9am. Participants enjoyed a round of golf on the picturesque Ocean Course, the oldest course in Florida, which provided a stunning backdrop for the event. The Ocean Course rewards wit over power, with winding fairways between sandy hazards and six lakes.

An *Awards Luncheon* at Flagler Steakhouse capped off the tournament. During the *Luncheon*, guests had the opportunity to hear about the impact of MorseLife's work in the community and how the funds raised will be

used to support its mission. The organization is proud to share that its hospice program was awarded the *Certificate of Need* from the **State of Florida**, allowing MorseLife to provide hospice services throughout Palm Beach County.

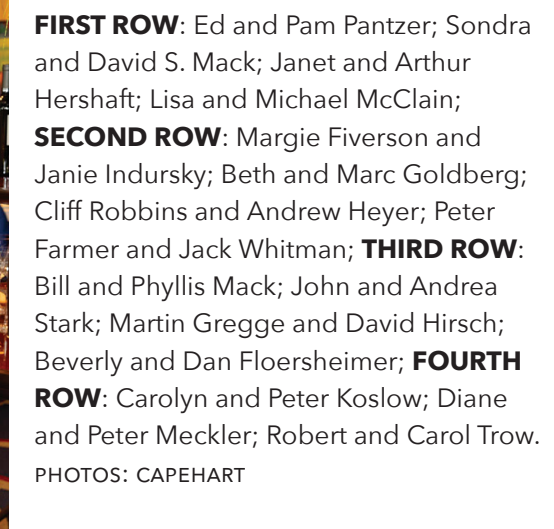

"It was an impeccable day of golf, fellowship and community spirit and we owe a heartfelt thank you to every participant and sponsor who contributed," said Pam Pantzer. "Our hope is that this event not only sheds light on MorseLife's mission but also inspires generous support," added Ed Pantzer.

The afternoon boasted fantastic raffle items and auction prizes, including foursomes at renowned courses throughout Palm Beach County, a three-day, two-night stay at The Breakers Palm Beach and more.

The event was made possible thanks to the generosity of *Golf Classic* Sponsors, including **Whiting-Turner, Pam and Ed Pantzer, the Robbins Family, Knight Corporations, MSL CPAs & Advisors, CareOne Pharmacy Services, Hodgson Russ Attorneys** and **V2 Jets**.

MorseLife recently celebrated its 40th Anniversary milestone and is embarking on a 40th Anniversary campaign that was announced on December 15th. The nonprofit remains devoted to its mission to improve the lives of seniors through innovative and compassionate health care, housing and supportive services. As a charitable, not-for-profit organization, its programs include independent and assisted living, short-term rehabilitation, memory long-term term care, private and skilled home health care, Hospice, palliative care, meals-on-wheels, Cannabis-based therapies, care management and counseling, homebound Mitzvah program, MorseLife Foundation and PACE – Program for All-Inclusive Care for the Elderly, which touches the lives of 3,600 seniors each day.
